Be sure that you intend to keep this product before claiming your rebate. Purchase must be made from the authorized Tamron Americas USA dealer. Equipment must be an Official Tamron Americas new product with 6-year USA warranty (gray market products do not qualify for rebates). CAUTION: Some major shopping websites employ third party sellers to enrich their offerings. Therefore, purchases on a specific website may NOT be sold, shipped, or even supplied by that website, but rather by a third party marketplace seller that may or may not be a Tamron Americas Authorized USA Dealer - even though that website itself may be listed as a Tamron Authorized Americas USA Dealer. If purchasing through a website listed as a Tamron Americas Authorized USA Dealer, please verify that the product itself is being sold and shipped directly by that website or, if not, sold and supplied by a seller that is listed as a Tamron Americas Authorized USA Dealer. Products not sold by Tamron Americas Authorized Dealers in USA are gray market and as such do not qualify for rebates, warranty, service or repair in USA. Please go to www.tamron-americas.com for further information. See www.tamron-americas.com or call 631-858-8400 for a list of authorized Tamron Americas USA dealers. This offer is valid only for purchases made within USA. Not applicable outside USA (Latin, Central, South America and Mexico are not applicable). Tamron Americas is not responsible for rebate redemption requests not received as a result of delay, loss or damage by the US Postal Service or any other courier service. Purchaser is responsible for any/all tax liabilities. Offer void where prohibited by law. These rebate redemption guidelines are provided to deter possible fraudulent activity. Educational Purchase Price (Price You Pay at Retailer) is based on current Tamron Americas Minimum Advertised Pricing (MAP) less any National Instant Savings in effect at time of purchase. IF you purchase a lens on sale, lower than what Price You Pay at Retailer states, the EDU rebate amount will subtract that value from the EDU rebate amount. The Final EDU price is a set value. Tamron will issue a rebate check within 3-4 weeks. Rebates must be filled by Tamron, not by any dealer. Tamron reserves the right to end, suspend or change this rebate promotion at its discretion without notice. See additional rules on the following pages.
